### **BAT EARS CHAIRMAN'S REPORT**

Firstly, may I take this opportunity to thank everyone who attended our AGM earlier this year. I think we had a very constructive AGM at the new venue, with many matters discussed by those present. Unfortunately, the escalating costs of holding an AGM at an hotel with subsidised lunches has meant that your committee had to reconsider this, and concluded the costs to be disproportionate to the object of the day.

We, as a committee have responsibility for the club's assets; this of course includes the money in our accounts, which in turn, is your money. Spending this in a responsible way will ensure our club remains a viable one.

We will therefore be holding the next AGM, once again, at The Peace Memorial Hall at Penkridge, Staffordshire. There will be a Buffet, as always, expertly prepared by our kitchen team. If there is anything that you would like us to do before lunch, please feel free to let a committee member know. Do not delay though, we do not have much time to organise something.

It is not just the AGM that has been affected by our attempts to save money, your committee has also moved away from holding it's meetings at an hotel, to a very empty and sometimes cold Penkridge Village Hall. No, do not feel sorry for us, (we don't, I hear the reply), we really do not mind, it all helps to preserve our funds. Having said all that, please do try to come along and support our AGM.

At the time of writing we have held our Championship Show at Roade Village

Hall, Northampton. Although I was not able to stay for the day, I was very impressed by the number of people who had entered their dogs and of course turned up with them. All our shows are extremely well supported and I really must thank you for your continued support of these events.

Talking of venues, we are still trying to find a suitable one for our shows. During the last year we have looked at many, and I hope to be able to update you by the time we hold the AGM.

If you wish to assist us with Discover Dogs at CRUFTS 2012, then we would be extremely grateful, please contact our Hon' Secretary, Mrs Jopling or any committee member. Remember, the Kennel Club will provide the entrance tickets, some attendance money and vouchers to buy refreshments. You will not be expected to spend the entire day on the stand, we try to split it between helpers to Morning and afternoons so you will also get an opportunity to have a look around and may be indulge in some retail therapy! So, all you have to do is turn up, preferably with a Frenchie, but not essential.

This edition of Bat Ears is of course the winter one and Christmas is once again nearly upon us, so, may I wish each and every one of you a Merry Christmas and a Very Happy New Year.

Kind Regards,

*Tim Griffiths*  
Chairman.

## EDITORS LETTER

Firstly, may we thank all those who have supported us with their advertisements in this issue. The income is a great help towards the high printing and postage costs; the interest is beyond price. We love to see your dogs, and, as many people keep these little magazines for decades, you are ensuring your place in the pages of history of the breed, not only the winners, but the loved pets too.

May I just say that the last issue was finalised by Carol and Vicki, alone, as I was ill. Thank you to them for taking over at the last minute.

We owe a huge vote of thanks to Tina and to Torsten – our wonderful new Secretary and our show manager, who managed their first championship show, at a new venue in September. I was so sorry not to be there – but reports reached me the following day! I gather most enjoyed it, and we would like to re-iterate Tim's sentiments, and thank all those faithful and loyal members who continue to support us. Your entries, your presence, your donations, your help and encouragement are all much appreciated. A few people work very hard to make these shows a success.

May we remind you of the Puppy Scheme. Dr Towner, who is the mainstay of the scheme, has lots of puppy enquiries (some suitable, some otherwise), but very few members let her know when they have puppies available. If you have a litter due or puppies at present, do let her know. (01280-700964).

Health Matters! As one of the Kennel Club's 15 'High Profile' breeds, we are, of course, under scrutiny for problems. The French Bulldog Club of England Health Committee has a scheme for all Frenchies. Please go to their website, follow the Health links, and you will find details of this, together with excellent descriptions of, and advice on problems which Frenchies may encounter. If you don't have on line access, telephone the Club's Secretary, Mrs Penny Rankine-Parsons for information. (01580 881043).

On behalf of the Officers, Committee and members may we send very best wishes to Medina Patrick who has had a spell in hospital undergoing surgery recently. Get well very quickly Medina.

Thank you to those who contact us about Bat Ears – especially the A list non-specialist judges; feed-back is always welcome.

May you and your Frenchies enjoy a peaceful and – in their case – puddingful Christmas.

The Batty Ladies.

## Obituary.

**JOLLI KING**

*Although Jolli will not have been known to many people in the breed today, in the 80s she was a prominent breeder, exhibitor and later, a judge. She was also an active and supportive member of the M&NCFBC.*

*Jolli died in Lincoln County Hospital on Saturday August 13th 2011, following a riding accident on August 4th. She was 55 years old. It is presumed she either fell from, or was thrown from her horse. She hacked most days, and was an accomplished rider.; hunting, and competing in dressage, cross country and show jumping, and this year had qualified for Badminton.*

*She came into Frenchies in the early 80s and had her first Frenchies Paling Pipistrelle at Pankington from Mrs & Mr Bowgen. In 1982 Pipistrelle was mated to Ch Hernhill Hugo and two from the resulting litter became champions. Ch Pankington Ariadne who was made up in 1984 and Ch Pankington Hadyn of Hernhill – owned and campaigned by Mr & Mrs Elwyn Harding, took his title in 1986. Jolli bought a little brindle dog from Mr & Mrs Burrows, Auwil the Pedlar at Pankington, and he in turn did a lot of winning. He was also a very successful stud dog, siring amongst others, Ch Birique Bonzai Bull.*

*Pressure of work at her busy boarding kennels meant Jolli was able to show less and less, and, while she retained an interest in the breed, she stopped breeding and showing. She judged from time to time, and was our judge at Crufts in 2000.*

*She was a qualified Veterinary nurse – in the days when they were R.A.N.A.s, and she was often amused when her name appeared in show catalogues as Mrs J. King-Rana! She played the trumpet, worked hard for her local church and only gave up her boarding kennels 6 years ago. She was an active, vibrant and fun-loving person and to her husband, and children Dilly and Ben, our sympathy.*

*Maureen Bootle*

*IN MEMORY OF  
JOAN HUGHES*

*Joan was born in Aberkenfig, Glamorgan. Joan met Alan, her husband, at a dance, and were married for over 50 years. They had one son called Robert and also a daughter called Karen, but Karen died shortly after birth. Joan had a wonderful knowledge of dogs and judged at many open shows. The first Frenchie they had was Brodawel Gigolo a brindle. In 1995 they mated their Frenchie Veltuds Lets Jive at Jarian, to Vardene Voyager which resulted in a super litter. Joan kept the brindle dog and a brindle bitch. The dog was Jarian Black Knight, pet name Jet, the bitch Mandy. Black Knight won Best Puppy at the Welsh Championship, later Joan made him a champion taking his third CC at Crufts 1998, and he was just over 2 years old. I met Joan in 1996, I shall miss her she was a good friend, always ready to listen and give advice. I will remember Joan when she judged French Bulldogs at Crufts 2007. I went to Joan's funeral in Wales. The M&NCFBC sent a lovely wreath of white lilies and freesias. So I have written about my friend Joan Hughes, her memory will live with me forever.*

*Margaret Boulter*

*IN MEMORY OF  
MR. A.W. HARKNESS.*

*Abe Harkness, of Lanarkshire, Scotland, sadly died very recently. Frenchies were a comparatively recent addition to his home, his first love being Staffordshire Bull Terriers. He bred Staffies, making up his first champion in 1959, Ch Wyecombe Jollie. Two more champions followed in 1960, Sahib of Senkrah and Wyecombe Melody of Senkrah, and he also bred Ch Senkrah Sapphire who was made up in 1963. He judged the breed at the highest level, world wide. He was Secretary of the Scottish SBT club for several years and a Breed Council Delegate.*

*He bred and showed some very successful Frenchies too. Perhaps the best known was the brindle dog Stanley Drysdale's Ch. Ir Ch Senkrah Running Bear at Portmain, bred in partnership with Mrs Harkness, who was made up in 2000. He was, until very recently a member of our club. To his wife and daughter we extend our sympathy.*

JUDGE. ALAN CUTTER

## ARE YOU JUDGING OUR BREED OVERSEAS?

If you have been invited by an officially recognised body, to judge our breed overseas, we are offering a small 'goody bag' from the M&NCFBC for you to give to your BOB winner. Should you wish to take advantage of this offer, please request this from the Club Secretary, giving as much notice as possible.

## **PLEASE JOIN THE VETERAN PARADE.**

At the last AGM the members discussed the idea of a Veteran Parade at club shows. This arose from a statement that not enough Veterans entered the Veteran classes at a time when the health, soundness and longevity of our breed was much in the public eye.

It was pointed out that, sometimes in old age, although our oldies move soundly, they may, over the years, have had problems which have left them with marked eyes, dropped ears, bald patches, scars and so on; problems which come with age in any breed, or cross breed. They may have been neutered, or have other factors which prevent their being a show dog. This parade is for them. For the retired show dogs, and the loved pets who may or may not be an ideal candidate for the Veteran classes, but who would love to come to the show and receive the attention in the show ring which they deserve.

Please bring your Golden Oldies for this event – the more the merrier. Let us show the world that Frenchies last, and are great in their mature years.

There are no qualifiers for the Parade – you just have to be a Frenchie who is over 7 years old. Entry is free, but dogs will need to be entered Not For Competition of course. They will receive a goody and will be introduced to the ringside as they enter the ring.

Please let the Secretary know if you are bringing a veteran for the parade, and please give us brief details about him or her: (Name, date of birth, loves and hates etc.) They won't need to stand on a table or stand to attention, they just have to be there; this is their moment. Let's make it an enjoyable and successful event.

**Birmingham 1971**

This picture was sent to me by an overseas member asking if I had any details. While I recognised the ladies and their dogs immediately, identifying the show took a little time. However, it proved to be the first time that Birmingham show was held at Stoneleigh I think. The ladies are, on the left Miss Margaret Fryars with her Ch. Reeslands Nice Fella, and on the right Mrs Pat Cox with her Ch. Benhooks Fru Fru. Nice Fella was winning his second CC of four, and Fru Fru taking her third CC of three. The judge was the charming Ormsby Izzard-Davies. Margaret was of course a committee member of the M&NCFBC for many years, and always a loyal and supportive member.

### **MOTHER AND SON TRIUMPH AT SYDNEY FRENCHIE SHOW**

Sydney at Eastertime is a great place to be as there is a real buzz attached to the dog shows held there, not just the famous Royal Show and various specialties but other shows as well. I was delighted to be back in my home town to judge at three of these events including the French Bulldog Club of New South Wales specialty.

The show had drawn a record entry of 101 dogs for its fiftieth ch show, held at the governing body's purpose-built showground. The club had gone to a lot of trouble to ensure there was a very pleasant garden party atmosphere around the ring, enhanced by some gum trees which provided welcome shade as it was quite warm in the sun at times.

I was very pleased with the overall quality, feeling that the best dogs would compete well with the best in Britain. A special highlight was the class of 16 baby puppy bitches – a real judging treat as so many of these twisting, turning bundles of delight appealed for different and various reasons. Choosing a winner was no easy task!

One thing I did notice was the fact that some of the dogs seemed slightly shorter on the leg than we are used to seeing in the UK. I made the point in my critique that this may be down to the influence of imports from North America and elsewhere. Certainly a point to ponder.

BIS went to ChFrogwyck Andromeda, a very typical and balanced bitch with a lovely head and super outline. Imagine my surprise to learn that the puppy I had given the Dog CC earlier in the day was her son, Frogwyck Drummer Boy, a stallion of a dog with good bone and a lovely large head. Their clever breeder and owner is Lyn Borg.

Drummer Boy and the RDCC winner, Embolden Rip Van Winkle (ex Andromeda's sister), another with quite a stallion look of quality, are both by a Maltese import, Der Mickleover Harum Scarum. RBCC went to the ultra-feminine and shapely ChEmorette Maggie May who coped with the warm weather very well and never stopped showing. She comes from the same kennel as the winning baby puppy, Emorette Miss Eadee, who impressed me with her overall balance and quality.

L-R BIS at the French Bulldog Club of NSW fiftieth championship show was the bitch, ChFrogwyck Andromeda, owned and bred by Lyn Borg and handled by Narelle Taylor.

There was a very pleasant get-together with wine and nibbles after the show. A fitting ending to a very enjoyable day spent with the friendly Australian Frenchie breeders and their lovely dogs.

**GLEN DYMOCK**

Dog CC and Reserve BIS went to the puppy, Frogwyck Drummer Boy, owned and bred by his handler, Lyn Borg. His dam, Andromeda, was awarded BIS.

Reserve Dog CC went to Embolden Rip Van Winkle, bred by Narelle Taylor and owned by Mr G Lawrence.

Reserve Bitch CC went to ChEmorette Maggie May, owned and bred by Karen McAndrew.

A real treat for the ringside was the sight of 16 baby puppy bitches. The eventual winner of Best Baby Puppy in Show was Emorette Miss Eadee, owned and bred by Karen McAndrew, who is pictured standing wearing a white jacket.

September 2011

Unless you have visited an American Specialty (Breed Club Championship Show) it is difficult to imagine the scale of things. Firstly, it lasts for 6 days, mornings, afternoons and evenings. Secondly, it takes place in an extremely large hotel. (The Hilton – limit 6 dogs permitted per room!) Thirdly there are upwards of 400 dogs. They are mostly Frenchies of course, but I saw several other breeds there as ‘guests’, staying for the week with their owners and handlers. Finally, you can do a Frenchie shop till you drop all day and every day!

Space will not allow me to go into great detail, so I will mention the things which struck me most:-

The number of veterinary surgeons who breed and show Frenchies! Take note KC and BSAVA! When it came to the Parade of Rescue Frenchies, the number of vets who had adopted a Rescue Frenchie after treating it while in its foster home – and the pride with which they paraded their pets!

The vociferous enthusiasm of the ring-siders – almost frightening at times, but a thoroughly sporting lot of exhibitors I must say.

The number of dogs present! The number of top quality dogs present! The lovely overall even size of the dogs present! The behaviour of the dogs present – not one cross word did I hear all week, and there were dogs everywhere – in the show halls, in the lifts, in reception, outside being exercised and, often,

crowded together in the ring. They were all delighted to see each other and anyone who stopped to speak to them. The temperament of all the Frenchies I met in America – a few hundred, could not have been bettered. Maybe we could learn from them – their breed standard states – ‘Well behaved, adaptable, and comfortable companions with an affectionate nature and even disposition; generally active, alert, and playful, but not unduly boisterous’. I keep mentioning the ‘well behaved’ bit to my own clan – to Rosie as she kills and guts yet another cushion, and to them all as they take off across the fields after yet another rabbit – deaf to my pleas!

So, to my winners. Winners Dog went to Belboulecan Helceti’s Causis, a fabulous little brindle boy owned and shown by Lindsay Lynch in partnership with his breeder Dorit Fischler DVM. He is a cracking dog, no exaggerations, sound in every respect with a fabulous head, and correct body shape. Shown on a loose lead he did everything his owner asked of him and made the very best of himself. I learned later of the rather dream-come-true story behind this win. Lyndsay suffers from Lyme disease, and has been house bound and often bedridden for three years. During this time Capone has been her constant companion and bed-dog. Feeling better recently, she set her heart on taking him to the Specialty, and, despite surgery ten days before the show, Lindsay went to the Show, handled her dog herself. ...and came out on top of the 84 dogs entered!

Judge: Maureen Bootle. Co-owner handler Lyndsay Lynch with Winners Belboulean Helceti's Cauis, co-owner/ breeder Dorit Fischler DVM and FBCA president Dr Jan Grebe

The following day came the Winners Bitch classes, and here my winner was Robobull Gold Shield Justadream. Bred by James Dalton and Shelley St John who co-owns her with her handler Perry Payson, she is just that – a little dream of a brindle lady. Wonderful head and expression, super size, so well balanced, and again no exaggerations, sound as a pound, wonderful coat, well muscled and presented to perfection. A little star, with that special star quality, and, for me, she shone the brightest in the entry of 109 lovely bitches.

After the Winners classes comes the incredible Best of Breed Class - 112 of them! (66 dogs 46 bitches). Most of these were champions or grand champions – and the quality was almost unbelievable. Seeing so many fabulous Frenchies together is something I will never forget! It was almost impossible to decide between so many super dogs, but my choice fell once again to Justadream, and judging by the noise from the crowded ringside it was a popular choice. My Best Opposite Sex was another little brindle dog, GCh. Lebull's New Hope Wooly Bully, bred by Sylvia Campbell and owned by Ms Alexandra Geremia. Another fabulous little brindle dog, great substance for his size, so well constructed, balanced with, again no exaggerations, and a great head topped off with wonderful ear set.

I was allowed to award five Certificates of Merit – these went to Ch. Robobull Fabelhaft Amidreaming, GCh Foresta's Simply Victorious, Ch. Jackpot! I'm the Boss of Justus (a 10 year old Veteran), Belboulecan Helceti's Cauis and GCh. Maserati Grand Gyvybes Zyme. I would have liked to award at least another 30!

What a wonderful week. I met with old friends, and made new ones. I was treated with such kindness and consideration by the American Frenchie folk, and was overwhelmed by the in-depth quality of the American Frenchies, and, most especially by their impeccable temperaments.

## THE FRENCH BULLDOG CLUB OF AMERICA TOP TWENTY INVITATIONAL

It is always enjoyable being asked to judge in another country, so it was a complete privilege to judge the "top twenty invitational" show in Atlanta at the American French bulldog club Nationals. Being able to judge a cross section of any breed gives you an insight into how breeders are interpreting the standard and the dogs they are using in their breeding programs. Especially in a numerically small breed like Frenchies, the faults repeat across the dogs shown, even in a class of top champions, like I was able to judge. The top twenty is such a grand event with everyone wearing smart dress, It is judged by three judges each from different judging backgrounds, any AKC judge, usually an all-rounder, a breeder (exhibitor) and sometimes an overseas judge, I very much enjoyed my part in the judging and regard this as a once in a life time experience.

**We received this letter from one of our newest club members and thought we would share it with you, Maybe you could shed some light on Layla's past for Miki? .....**

I am very new to Frenchies having acquired one by accident. a friend saw her advertised in the Freeads and told me about her. I then contacted them and arranged to go see her. It was love at first sight and she got on with our Staffie - Ziggy.

She was totally bald around her neck and covered in sores and very subdued. A horrible couple of weeks followed when after several attempts to get the Microchip details from the owner failed we then contacted the Microchip company direct and was told she had been reported missing 2 weeks after we had bought her. To cut a very long boring story short, the police were involved and eventually she was signed over to us.

It turned out that she was given to someone at a vet's when she had been taken to be put to sleep, who then got her daughter to look after her due to problems with their existing dog and Layla, who promptly sold her without telling her mum.

She is now a very happy pooch living with myself and hubby Rob, Staffie - Ziggy (who she bullies), 2 horses - Harry and JD, African Grey Parrot - Kasuku (she is very brave with her until Kasuku is out then she hides) and Corn snake - Twister.

Her neck is fully better and under careful management the Dermatitis hardly ever flares up at all.

I believe she may have been called Lacey and is from the Scunthorpe area. If any of your members recognise her, i would be grateful to hear from them regarding her background, just out of interest and to let the breeder know she is well looked after and pampered. She is neutered and we aren't interested in showing apart from possibly a couple of fun shows but would be nice to know where she came from.

I have attached a few piccies of her.

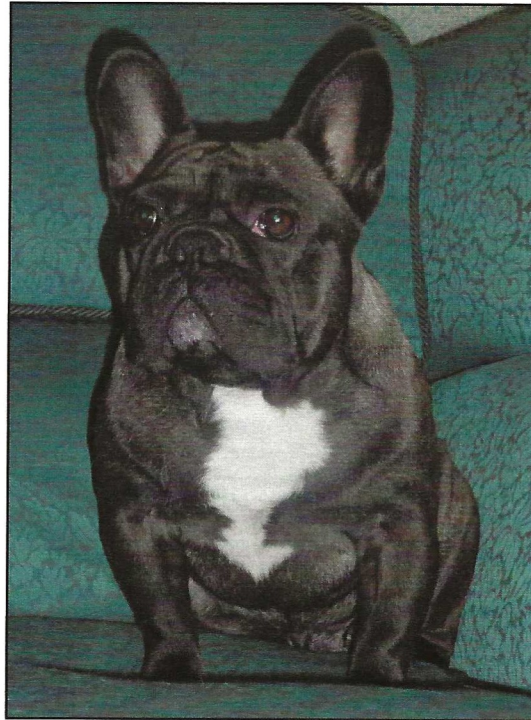

Many thanks

Miki Waddington (Michaela)

## **FINNISH TOY DOG ASSOCIATION SHOW, HELSINKI**

**August 29<sup>th</sup> 2011**

I was delighted to be back in Finland, and to judge our breed at this prestigious show. The venue is a wonderful old park with a great history, overlooking the harbour. This is the only dog show permitted to be held there, and the exhibitors left it looking as clean and cared for as when we started. I was so pleased to see that the Scandinavian exhibitors still have their relaxed attitude to shows; a family day out. They sat around the rings in their small tents, watching the proceedings, enjoying their picnics and meeting friends. The dogs played with each other, or relaxed happily in their beds. No benches of course, and I did not see a single crate anywhere on the showground! It is a much bigger group than our Toy Group here, with around 40 breeds, many from our Utility Group – in fact 3 of the 4 BIS winners were from our Utility Group.

My BOB was Finn. Ch. Lyttypaan Just Perfect, a fawn bitch who went on to BIS 4 under Liz Stannard. The CAC bitch winner was a pied who came from Junior, Huitukan Goldie Hawn. Both were Finnish owned and bred. BOS and Dog CAC winner was a brindle, Tanderzoa Avant Amaranth. Best Veteran Multi Nat Ch. Bankrotin Unikki, a pied dog of nine and a half years, went Res. BIS Veteran under Frank Kane. The breeder group was won by Kennel Tinylions, who incidentally owned the Res. Best bitch, a stunning brindle. The dogs were overall really very good; a huge entry – another judge had to take the young classes, the hospitality could not have been bettered, and the French Bulldog Club of Finland gave me a lovely memento.

## News Letter

Hello to all Frenchie Friends.

2011 Has been a year of ups and downs in the work of the Trust. At the beginning of the year we were very busy with the large numbers of dogs that came into the Trust over the previous two months; this was gradually dealt with through the hard work and dedication of Trustees, coordinators and members who pitched in to find suitable homes for what in some cases were very difficult dogs.

This was followed by our AGM in April where a number of topics and suggestions for the future direction of the Trust were discussed.

The year continued relatively quietly after that, on the administration front however more and more people were putting themselves forward to adopt a Frenchie, these had to be checked and happily members came forward to give up their time (and money) to do the checks in their area.

In recent weeks the numbers of dogs coming into the Trust are again rising with five being dealt with within a three week period we can only hope at the time of going to press that we do not have a repeat of last year.

A worrying trend that has been noted by the Trust is that many of the dogs now coming in appear to have temperament problems some of them serious, these arise either from the lack of socialisation or poor owner education allowing the dog to do as he or she pleases, with these problems in mind the Trustees are looking at ways that we can become involved in trying to educate the general public on the requirements for looking after and training our breed to be the loving loyal companions we know they can be.

We have begun some of this education on our website but hope to extend this either via puppy information packs for breeders to hand out to new owners, or for present owners who wish to avail themselves of this helpful information.

We would like anyone with ideas or experience in this type of promotion who wish to get involved

more with the Trust to contact us with their ideas. We also urge other interested organisations to get involved with this public education scheme, hopefully then the Frenchie buying Public will be able to start their life with frenchies with the knowledge of the breed and its requirements, leading to a more orderly dog friendly household, this will hopefully gradually reduce the need for the Trust to deal with the problems later. The present advertising obsession with using Frenchies is only refuelling the public's misconceptions of the breed leading eventually to disappointment and the abandonment of dogs, when their own Frenchies don't do what they do on the adverts. We must try and balance this out with knowledge. Our network of knowledge is growing with more of our members volunteering to visit potential homes and making themselves available to the help anyone with advice and direction, we wish this to grow country wide.

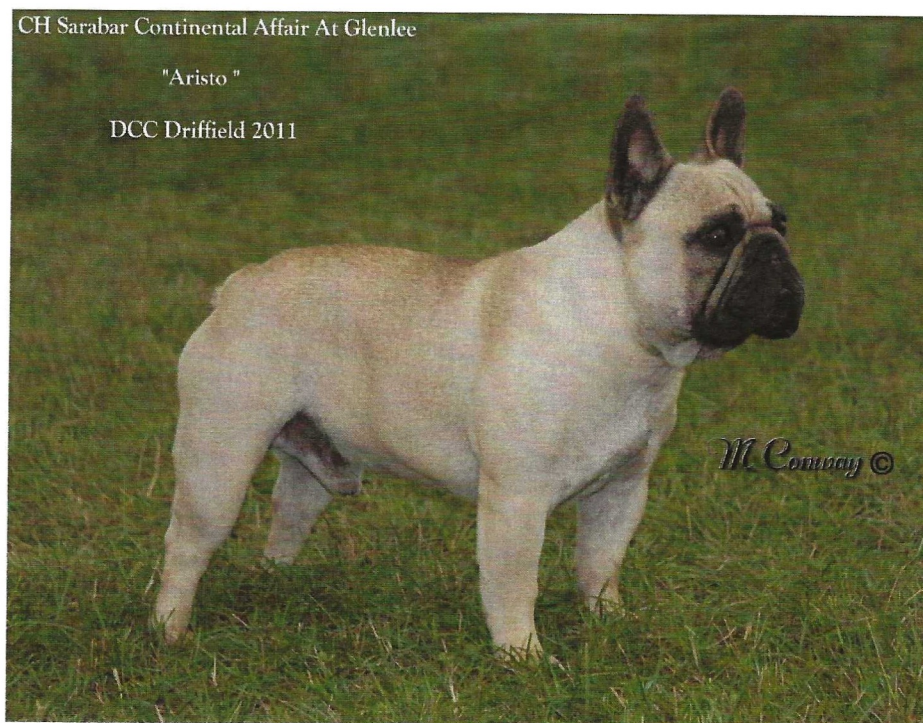

On a lighter note we are busy collecting items for an auction which is to be held next year; we already have some nice items donated and are contacting Frenchie owning celebrities in hopes of further auction items. If you wish to donate an item or wish to place a 'maximum' bid on an item when the auction takes place then please get in touch with the organiser Irene Stansfield. Details and pictures of items up for auction are on view on our website at [www.frenchbulldogwelfare.moonfruit.com](http://www.frenchbulldogwelfare.moonfruit.com).

In closing the Trust would like to thank all who have helped the Trust this year in upholding our aim of helping Frenchies and their owners without you we could not help so many of the Frenchies that have come through the Trust.

If you would like to join the Trust and get involved please speak to any of our Trustees or Coordinators see their contact details on our website.

The French Bulldog Welfare Trust would like to express their thanks to Charlotte Swateridge and her helpers Vanessa Bryant and Jane Duce for organising the wonderfully spontaneous get together at Richmond show. Charlotte had excelled herself with her wonderful cakes, which she must have spent many hours baking. All was beautifully laid out on tables filled with interesting jars and bottles. A sweepstake was held and a number of bottles were won, including champagne. Apparently it was a lovely friendly atmosphere and much enjoyed by all those present. A very respectable £250 was raised for Welfare. Thank you to all who contributed.
